

RONALD EARL WILSHER

Attract and Engage is better than Chase and Convince™

Ronald spent over a decade in the Real Estate field but has now turned his full attention to his true passion and that's helping others live their destiny. He is currently the Lead Instigator! and CFO (Chief Fun Officer!) at Wilsher Media Group where they comfort the disturbed and disturb the comfortable.

He's a Dad, PawPaw! (to John Mason & Luke Austin), Serial Optimist, Keynote Speaker, Author, Passion Advisor, Personal Brand Evangelist and authority on all things happy and fun. He's also a TrueBeliever! and HopeDealer!

He helps people make more money (and have more fun!) by simplifying their life and developing the courage to be who they are. He can help you escape the slavery of the box and experience the freedom of the stage.

His philosophy of "Attract and Engage is better than Chase and Convince™" will leave you with a totally new perspective on life and how to use the new media to build a POWERFUL Personal Brand and make more money in ways you never dreamed possible.

He has a (waykew!) son (Jacob Ellis) and lovely daughter-in-law (Ashlee Nicole). He resides in Houston, in (The Republic of!) Texas and is on a personal mission from God to change the world in a very profound fashion.

(He is currently vigorously seeking volunteers to join him!)

(I write about myself in the third person pretty well, eh?)

"Ronald's expertise on marketing and branding has been most beneficial to the growth and success of my business. I value and recommend his coaching. His classes are informative and captivating. He's authentic and he's not afraid to throw in some humor which keeps his audience entertained."

"I want you to know that when I heard you speak that day, it was a real pivotal point in my life. You said that if I was just ME all the time, people would wanna do business with me because I'm ME. Since then, I've put down the act, let me freak flag fly and there's no going back. My insurance business has soured, my new food truck venture has launched and it's ALL ME. Completely ballsy and weird and I've never felt so comfortable and successful. Thank you for being you and showing me how easy it is to attract the business I want when I'm authentically me. Who'da thunk?! ;)
