Some Stuff About Me

Ronald spent over a decade in the Real Estate field but has now turned his full attention to his true passion and that's helping others live their destiny. He is currently the Lead Instigator! and CFO (Chief Fun Officer!) at Wilsher Media Group where they comfort the disturbed and disturb the comfortable.

He can help you identify your true passion and Monetize Your Intellectual Capital™.

He's a Dad, PawPaw! (to John Mason & Luke Austin), Serial Optimist, ProTawker, Author, Passion Advisor, Personal Brand Evangelist and authority on all things happy and fun. He's also a TrueBeliever! and HopeDealer!

He helps people (just like YOU!) make more money (and have more fun!) by simplifying their life and developing the courage to be who they are. He can help you escape the slavery of the box and experience the freedom of the stage.

His philosophy of "Attract and Engage is better than Chase and Convince™" will leave you with a totally new perspective on life and how to use the new media to build a POWERFUL Personal Brand and make more money in ways you never dreamed possible.

He has a (waykew!) son (Jacob Ellis) and lovely daughter-in-law (Ashlee Nicole). He resides in Houston, in (The Republic of!) Texas and is on a personal mission from God to change the world in a very profound fashion.

(He is currently vigorously seeking volunteers to join him!)

(I write about myself in the third person pretty well, eh?)

People Are Talking!

~I am extremely happy I came to this class. So much information that brought light to my life. I knew some things but now they make so much sense. Thank you and God bless!

~You made us laugh a lot, fun class! Thanks Mr. R!

~Great teacher. I never lost interest.

~Excellent class.

~Enjoyed the class. Food was good, too!

~Refreshing not being told “how” to sell. After 38 years, you don’t ‘sell’. You listen and then show them what they want to see. Be yourself. Look forward to more of your classes. It was a pleasure.

~Enjoyed the class. Very helpful.

~Fun class.

~Excellent class. Builds confidence. Fun and interesting.

~Awesome. Awesome. Awesome.

~Lively is a great way to go. Will look for more classes.

~Great teaching! Excellent class.

~As a Real Estate agent who is very uncomfortable with the way I've been taught, you've made me feel ok with doing it my way! It's ok to do business in my own way that makes me comfortable. Great class!

~Way too much to put on paper. Thank you so much for sharing your knowledge with us. You hold success in your heart and mind. Great personality.

~Ronald kept the class entertained. It was a great experience. Keep being you! Very interested in learning about additional classes.

~Love the class! Thanks!

~Great class to take. Very dynamic.

~The whole presentation was great. Excellent!

~The importance of a sense of humor. Best 3 hrs spent! From beginning to end, there was never a dull moment in the class.

~Loved it! Too much to write.

~Thank you for your valuable time and teaching us.

~Great class! Instructor kept class interesting! Laughter is powerful!

~Very interesting and informative class to brand myself.

~Awesome personality! Kept it interesting and fun.

~That being 'cool' or quirky can actually help my business. I don't always have to be 'on' or properly professional.

~It was great. Want to be on Way Cool List.

~Thank you for the informative class. I will use some of the tips. Class went very quickly.

~Wish I was in Ronald's lecture a long time ago.
